

# EU EBRD EEFF - Rational Energy Utilization Plan

## Indicative Table of Contents

### **1. Summary**

- 1.1. Recommendation and project qualification
- 1.2. Borrower – base information
- 1.3. Summary of expected project benefits (including calculation of the isi)
- 1.4. Summary of project background
- 1.5. Project cash flow analysis results (project feasibility)
- 1.6. Financing plan
- 1.7. Assessment of project impact over the energy balance of Romania

### **2. Borrower**

- 2.1. Basic information
- 2.2. Financial statements

### **3. Project background**

- 3.1. Project baseline and problem identification
- 3.2. Description of recommended technical measures
- 3.3. Project cost
  - 3.3.1. *Basic project cost*
  - 3.3.2. *Other investment costs*
- 3.4. Project cash flow
  - 3.4.1. *Operating costs*
  - 3.4.2. *Revenues from energy sales, other savings, revenues from green certificates sale, etc*
- 3.5. Activity based schedule
- 3.6. Completion validation review (cvt) check-list

### **4. Financing plan**

- 4.1. Type and amount of requested financing
- 4.2. Financing scheme, including project sponsor own contribution
- 4.3. Proposed terms and conditions of finance
- 4.4. Specific sub-loan from the participating bank

### **5. Project cash flow analysis**

- 5.1. Project cash flow
- 5.2. Project cash flow analysis
  - 5.2.1. *Cash flow analysis*
  - 5.2.2. *Capital investment decision indicators*
  - 5.2.3. *Projected cash flow including co2 emissions reduction sales*

### **6. Other project benefits**

- 6.1. Greenhouse emissions reductions against the baseline
- 6.2. Other environmental improvements
- 6.3. Productivity improvements
- 6.4. Other benefits

### **7. Compliance with national environmental, health and safety standards**

- 7.1. Compliance with the national environmental standards and with Habitats And Wild Birds Directive
- 7.2. Compliance with the national health, safety and fire-precaution standards

Appendix a. Implementation costs and project schedule

Appendix b. Monthly cash flow and long-term debt

Appendix c. Financial statements, offers and contracts for project implementation
